Summary of reasons for decision:

The computer image file depicts a girl in a bikini posing on a sofa in a bikini. While her pose may be considered mildly provocative it has no overt sexual intent and a sexual reading is not the only one available for this image. Therefore it cannot fairly be said to deal with matters of sex. The image raises no issues under s3(1), s3A or s3B of the Films, Videos, and Publications Classification Act 1993. The publication must, therefore, be classified as unrestricted. This classification is consistent with the right to freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990.
